FOR ASHLAND RESERVES.

Yacht Sylph Is Assigned as Training Ship.

An Ashland dispatch of interest to the Hancock naval reserves is as follows:

Lieutenant Commander Theodore Werder of the Wisconsin naval militia returned home this morning from Washington, and announced that the government yacht Sylph will be sent to Ashland on the opening of navigation and converted into a training ship for the local naval militia.

The Sylph has been used with the government yacht Mayflower by leading officers of the navy department and is 135 feet long with a 21-foot beam. At the present time the Sylph can only accommodate about 45 men including officers, but with a few alterations it can be made to take care of a division at a time.

On account of the Mexican trouble the government is utilizing all its available ships and as a consequence the Sylph is the only boat that could be promised for Ashland at the present time.

PERKINS SEEMS FIT.

Wisconsin Boxer Confident That He Will Make Good Showing.

"Billy" Perkins, a rising young Wisconsin boxer, who is scheduled to meet Tony Caponi, one of the veterans of the ring, in Germania hall Saturday evening, arrived in Hancock yesterday afternoon. Perkins says he is fit for the bout and that he is confident of making a good showing against his more experienced opponent.

Perkins has made all arrangements to meet Eddie McGoorty at Superior on March 7. He is pulling hard for a victory over his present opponent and believes he will meet McGoorty with his record unblemished. Caponi is expected to arrive in Hancock Friday morning. He has made arrangements to train at Calumet and will return here in time for the match Saturday evening.

HOUGHTON HERE SATURDAY.

Hancock High School Will Meet Old Rival at Basketball Again.

The Houghton high school basketball team, leaders in the copper country interscholastic league, will be in Hancock Saturday to meet the Hancock team in a game that will do much to select the interscholastic championship. Should the Houghton team win this game, their victory will give them the championship, while a victory for Hancock will tie the two teams and will further complicate the standing.

HANCOCK COUNCIL TO MEET.

An important meeting of the Hancock city council will be held Wednesday evening in the council chambers. It is expected that a large delegation of citizens will attend to watch the proceedings of the council as the members of the opposition party have taken a great deal of interest in the council's deliberations lately.

DULUTH MAY NOT INVITE
PERRY FLEET TO COMEIN WHICH EVENT PORTAGE LAKE
WILL LOSE CHANCE TO
SEE WARSHIP.

Duluth business men may not invite the Perry memorial fleet to visit that port next summer, as suggested, in which event Portage Lake people will miss a possible chance of seeing the fleet pass through here. The Duluth Herald says:

Duluth will very likely not be included in the itinerary of the fleet which will tour the lakes next summer in commemoration of Commodore Perry's victory on Lake Erie and in celebration of the 100 years' peace with Great Britain.

The executive committee of the Commercial club will take up the matter at an early meeting and if it should decide that Duluth should not invite the fleet, the proposed Perry celebration will be dropped.

At a meeting of the Commercial club last Thursday evening some of the speakers were in favor of developing the water carnival and advertising it as a distinctive annual event in Duluth. Others were in favor of having the Perry Memorial celebration, which would cost Duluth business men about \$15,000. Finally the meeting decided to learn the attitude of the executive committee of the Commercial club on the subject.

The efforts to arouse enthusiasm for the Perry celebration would be a big event, bringing to Duluth a large fleet

of naval vessels and private yachts and doubtless attracting many people from the surrounding country. However, the fact that Duluth's annual water carnival has already been widely advertised in former years has caused many people to favor developing the water carnival and making it the big annual summer event in Duluth, instead of concentrating efforts this year on an event that has no relation to permanent summer amusements in the city.

The revival services at the Pewabic M. E. church are being continued throughout Lent. The meetings are proving highly successful and are being largely attended. The following are the pastors who will have charge during the rest of the week:

Blee, when arraigned, pleaded guilty and was fined ten dollars and costs, sentence being suspended upon a promise of good behavior.

BEATS DOVER'S RECORD.

In a two-men bowling match at Republic last Saturday evening Felix Ringnette made a remarkably high score for three games, and now claims the championship of the upper peninsula. His score is higher than those made by Dobbs, of Ishpeming,

and Dover of Hancock. Ringnette rolled a score of 736, or fourteen pins more than Dobbs' score.

MANY WILL PAY.

About 500 residents of Hancock will pay their water tax this afternoon and tomorrow according to the water clerk as tomorrow will be the last day on which it will be possible to take advantage of the discount. The city residents often prefer to wait until the last day before paying their water tax and sometimes the crush on the last day is so great that many are obliged to stand in line for two hours before their turn comes.

All the old fixtures have been either taken out or rearranged. Considerable headway has been made during the past few days.

MADAM! IF YOU DON'T FEEL RIGHT
TAKE DELICIOUS "SYRUP OF FIGS"

WASTE-CLOGGED BOWELS, TORPID LIVER AND DECAYING FOOD IN STOMACH CAUSE THE SICK HEADACHE, GAS, BACKACHE, SALLOWNESS, BILIOUSNESS AND INDIGESTION.

All women get bilious, headachy and constipated—simply because they don't exercise enough. They don't eat coarse food, or enough fruit and green vegetables. These are nature's ways of keeping the liver and thirty feet of bowels active; but very few women employ them. The next best way is to take a little Syrup of Figs.

Nearly all ills of women can be overcome with Syrup of Figs alone. There is no need to have sick headaches, backache, dizziness, stomach sour and full of gases, bilious spells, sallowness, coated tongue, bad breath, bad complexion, nervousness and depression. The surest and safest remedy is one or two tablespoonsful of delicious Syrup of Figs. Try this tonight—You'll feel splendid in the morning.

when the soft bile clogged up waste and poisonous matter have been gently but thoroughly moved on and out of your system without nausea, griping or weakness. Your head will be clear, complexion rosy, breath sweet, stomach regulated, no more constipation, gases, pains and aches.

It is simply a matter of keeping your stomach, liver and bowels clean and regular. Then you will always be well—always look and feel your best. But get the genuine—the old reliable. Ask your druggist for Syrup of Figs and Elixir of Senna. Refuse, with contempt, the so-called Fig Syrup, sometimes substituted to fool you. The true genuine, bears the name California Fig Syrup Company; look for this on the label.
